2017 BRUCE LUCAS
HEPATOLOGY AND
LIVER TRANSPLANT
SYMPOSIUM

Friday, Oct. 13, 2017

Kroger Field
Recruitment Room
1540 University Drive
Lexington, Ky.
GENERAL INFORMATION

Meeting
All conference sessions will be held at Kroger Field Recruitment Room, 1540 University Drive, in Lexington.

Disclosure
All planners, speakers, authors and reviewers involved with content development for continuing education activities sponsored by the University of Kentucky College of Medicine are expected to disclose any real or perceived conflict of interest related to the content of the activity.

Detailed disclosures will be included in participant materials or given prior to the start of the activity.

ACCREDITATION

Medicine
The University of Kentucky College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Kentucky College of Medicine designates this live activity for a maximum of 5.75 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The University of Kentucky College of Medicine presents this activity for educational purposes only. Participants are expected to utilize their own expertise and judgment while engaged in the practice of medicine. The content of the presentations is provided solely by presenters who have been selected for presentations because of recognized expertise in their field.

ACGME Competencies
- Patient care
- Medical knowledge

Physician Assistant
This program is not yet approved for CME credit. Conference organizers plan to request AAPA Category 1 CME credits from the AAPA Review Panel. The total number of approved credits is yet to be determined.

Nursing
The University of Kentucky, College of Nursing is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation (ANCC).

This educational activity is offered for a maximum of 5.75 ANCC contact hours.

The Kentucky Board of Nursing (KBN) approves The University of Kentucky, College of Nursing (UKCON) as a provider as well. ANCC and KBN approval of a continuing nursing education provider does not constitute endorsement of program content nor commercial sponsors. This educational activity is offered for a maximum of 6.9 KBN contact hours. Provider #: 3-0008-01-18-924. In order to receive credit, participants will complete the CNE activity, complete the evaluation form. Certificates may be printed once the evaluation is completed.

Other
UK HealthCare CECentral certifies this activity for 5.75 hours of participation.
OVERVIEW
This program will provide education and insights about new medications that have recently been approved for the treatment of liver diseases. In addition, providers will learn how a multidisciplinary approach to liver disease management can be beneficial for patients. Finally, this program will help providers understand how to refer patients for a liver transplant evaluation in a timely manner, before patients are too sick to receive a transplant.

TARGET AUDIENCE
Gastroenterologists, nephrologists, urologists, primary care and family medicine physicians, physician assistants, and nurse practitioners.

OBJECTIVES
Upon completion of this educational activity, participants will be able to:

• Describe the complications of portal hypertension and liver disease.
• Describe the multidisciplinary approach in the management of liver disease.
• Describe new treatments for liver disease.
• Describe the role of liver transplantation in the treatment of liver disease.
• Discuss basic principles in hepatocellular carcinoma treatment.
• Describe how the successful management of liver tumors involves care from multiple disciplines working in close coordination.
• Describe how immunosuppression impacts transplant patients.

REGISTRATION & FEE
The $25 registration fee includes educational materials, a continuing education online statement of credit, breakfast, lunch and beverage breaks. Please indicate when registering if you require any special physical accommodations to attend this activity.

Refunds will not be given for this activity; however, registration may be transferred to another participant. The UK Transplant Center reserves the right to cancel or make substitutions to this activity or cancel or substitute topics and/or speakers.
