

## 2018 FIFA World Cup Challenge – Group Stage Scoring Examples

The examples below are to help illustrate how a group will be scored. Only the final table positions will be scored, **not** the results individual games. For these examples, let's pretend that the table directly below are the real world results for Group A. Let's use this table to score some predicted results!

### Hypothetical Real World Results for Group A:

Pos	Team	W	D	L	Goals For	Goals Against	Goal Difference	Points	Qualification
1	<b>Egypt</b>	2	1	0	7	2	+5	<b>7</b>	Advancing to knockout stage
2	<b>Russia</b>	2	1	0	4	1	+3	<b>7</b>	
3	<b>Uruguay</b>	1	0	2	6	6	0	<b>3</b>	Eliminated from competition
4	<b>Saudi Arabia</b>	0	0	3	1	9	-8	<b>0</b>	

Note: The first two teams above are tied in points. Using the first tie breaker, goal difference, Egypt earns 1<sup>st</sup> place.
